Department:
Roads and Public Works
NORTHERN CAPE PROVINCE
REPUBLIC OF SOUTH AFRICA

MEDIA RESPONSE

SUBJECT: BARKLEY WEST LIBRARY

The department appointed a structural engineering company on the 14th March 2017 to conduct an investigation and assessment into the roof leakages at the library. A preliminary report was received, but the final report is expected on Monday, 5 June 2017.

The department is investigating whether the identified problems were as a result of design (engineers); construction (contractor) or maintenance deficiency. Once that has been established, costs for repairs and remedial work will be passed on to the identified defaulter.

Ms Crystal Robertson
