EXPRESSION OF INTEREST

TO BE INCLUDED IN THE DEPARTMENTAL MENTORS DATABASE FOR 2016/19 FINANCIAL YEARS

The purpose of the Contractor Development Programme is to develop contractors within a project environment to capacitate them as sustainable specialized contractors. As part of the Contractor Development Programme, contractors will receive mentorship in relation to the Project they are working on. The Department is in the process of establishing a database of suitable mentors (building and civil engineering projects) to be used on an as and when required basis.

Mentors will be responsible for providing the full range of situational leadership roles as appropriate to the circumstances. The mentor could be expected to advise, coach, counsel, guide, teach and tutor in the execution of his / her duties.

Requirements for registering on the database

- Have general construction and project management experience;
- Have experience or exposure to the development of SMME enterprises;
- Be qualified as a Build Environment Professional and registered with the relevant council
- Have a physical address within the Northern Cape Province.

The following must be submitted with the completed registration form:

1. Company Profile
2. Copy of company documents
3. Proof of physical address
4. Proof of being qualified as a Build Environment professional
5. Proof of any other qualifications
6. Original Tax Clearance Certificate
7. Certified copies of Professional Registration
8. Certified Copies of SA Identity Document/s of all Directors/Shareholders and registered professionals
9. Certified copy of Valid BBBEE Certificate

Please note that evaluation of application will be based on responsive assessment. All applications will be reviewed and successful mentors will be informed.
