## **SUBJECT: STATUS UPDATE REGARDING THE OLD GARIES HOSPITAL**

The State Attorney is in the process of obtaining a new title deed through the Deeds Office in Cape Town where the property was first registered. Once this is received the final steps to register the property in the name of the Northern Cape Provincial Government can be completed. This will be followed by an application to Treasury to repair the building.

Alternative accommodation will need to be sought for the occupants in accordance with the Prevention of Illegal Evictions Act.
